

Bruntwood Park BMX Club Event Traffic Management Plan

Access Routes:

Via Bruntwood Lane or the School Hill entrance

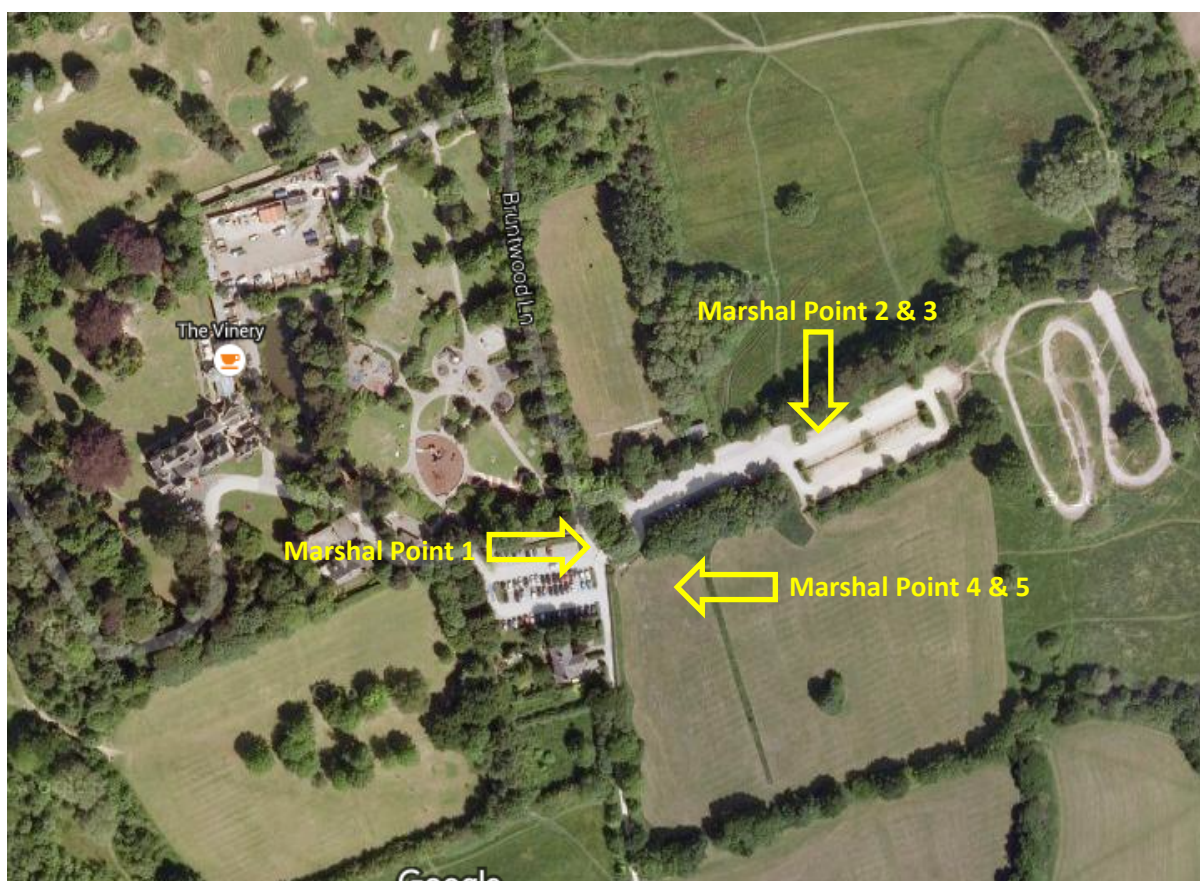

Access routes
Bruntwood Park,
Bruntwood Lane,
Cheadle,
Stockport
SK8 1HX

Parking:

Marshals will be placed at point 1 to guide event attendees to the lower stone surface car park or grassed overflow parking area (depending on ground conditions). Marshals at points 2 & 3 will ensure that cars parked cars leave enough room for vehicles including ambulance to manoeuvre. Marshals at points 4 & 5 will guide vehicles to the field edge and line up accordingly ensuring room for vehicles to enter and exit.

Event attendees will be requested not park to in the upper stone surface car park or the tarmac car park to ensure plenty of parking for other park users. Event parking details will be advertised on the BP BMX Club website and social media including requests not to park on Bruntwood Lane, Valley Close and Valley Road. Marshals will also monitor these residential streets during the morning to minimise the risk of cars parking here for the event.

Should the designated parking become full, marshals will advise drivers to find alternate parking at Life Leisure, Shiers Drive SK8 1JR

Marshals: All marshals will be given a full briefing prior to the event and provided with Hi-Viz vests. All contact on the day will be via mobile phone with a master list also kept at the club welfare cabin.
