Ladybridge Park Estate, Cheadle Hulme

Report of the Corporate Director for Place Management & Regeneration

1. INTRODUCTION AND PURPOSE OF REPORT

- 1.1 To approve a 20mph speed limit order covering the full extent of the easterly part of Ladybridge Park Estate in Cheadle Hulme.

2. INFORMATION

- 2.1 The Ward Councillors for Cheadle Hulme North have requested the provision of a 20mph Speed Limit on Ladybridge Park Estate. Please see the comments below:

- The estate is in effect divided into a westerly part with access via Councillor Lane; and an easterly part with access via Ladybridge Road.
- The Councillors have asked for a 20mph speed limit covering the easterly part as shown on attached drawing number: **NM31-203-001**.
- According to guidelines from the Dept. for Transport, 20 mph speed limits which are not supported with physical measures (i.e. speed humps, chicanes etc.) only have a minimal effect on reducing average vehicle speeds. However, in this case the estate has a number of bends with in effect serve as traffic calming to consolidate a 20mph limit.
- There have been no recorded traffic incidents (recorded by the Police) on this part of the estate within the last 3 years.
- The proposal is not expected to be contentious and for the sake of expediency, a prior public consultation has not been undertaken. When the Traffic Regulation Order is advertised by Legal Services, residences on the estate will each receive a notification letter and will have opportunity to return a formal objection should they wish to do so.
