6. Please describe the main activities of your Organisation/ Group

The aims of the National Volunteer Police Cadets are:

- . promote a practical understanding of policing amongst young people
- . encourage the spirit of adventure and good citizenship
- . support local policing priorities by volunteering
- . giving young people a chance to be heard.

We provide activities for young people between 13 – 18 years, particularly hard-to-reach individuals, to give them confidence and life skills. They learn about policing issues such as crime scene investigation and put that knowledge into practice, e.g. going door-to-door to provide crime prevention advice to residents. We aim to give back to neighbourhoods by taking part in community events, e.g. helping out at the Local Policing Team's Emergency Services' Day. The Cadets also raise money for charity. Our sessions are also linked to the 5 wellbeing principles of giving, helping, learning, connecting and being active.

2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.

We undertake monthly social action and other events on an ad hoc basis by request (as highlighted on our Twitter account).

Our focus is to prevent people being victims of crime by offering targeted crime prevention advice. We wish to improve and enhance what we do by offering crime prevention equipment, such as prick-a-strips, light timers and personal attack alarms, so we would like to get a stock of this equipment to give to those most in need. For example, on 22nd October 2019, we visited Walthew House, Shaw Heath to speak with visitors who had visual and hearing impairment and heard how some had been victims of street theft and robbery. They requested personal attack alarms to help them as this would give them confidence. Having lights on in a house is one of the best ways to deter burglary, so light timers to give the impression that a house is occupied are very useful to give out. We were given a small supply of light timers which we were able to offer to elderly residents in Gatley on 30th October 2019, which they appreciated. On 12th February 2020, whilst working in Heaton Chapel, we were able to hand out a Faraday bag to a resident to keep her car keys safe, as she was not aware of how to protect her vehicle from theft and cloning. Funding would enable us to hold a stock of relevant equipment that we could distribute fairly to help more people.
