6.

Natalie's Dance Creative is a Community Interest Company (CIC) set up to deliver dance classes to the children and youth in Stockport. As a CIC the benefit of the users is at the heart of what we do with all monies fed back into the company for their benefit only. Stockport as an area is deprived with many users from low income households who are restricted to outer activity usage due to cost. In addition to this daily struggle these users also face the adaptation of living in this generation where pressures of social behaviours are predetermined stereotypes of who they are. NDC has an aim, to give these users yes a dance studio but also a place of safety to speak freely, develop as role models for their generation and break the tag of a typical kid in 2020. Stockport does not offer guidance, opportunities or inclusion for many if not all of this generation and we at NDC with hard work and strength will give them and their families what they need to succeed. We offer classes in commercial, street and contemporary and our dancers compete at National Championships twice a year.

Q9. NDC are hoping to hold an awards evening and showcase for our dancers. We are planning this as a night to celebrate the dancer's achievements and progress throughout the past 12-18 months. Due to COVID the dancers have missed out on a national competition and both Stockport and Hazel Grove Carnival as well as over 3 months of classes. So we are hoping this celebration, when safe to do so will bring the children back together, with a sense of unity and acknowledgement to how well they have done.

Q10. Local residents of all ages will benefit from the grant because it will enable NDC dancers to showcase something positive from the community children and young people at the event. It reflects that there are young people working hard, with talent to achieve goals. Other young people and children from the community may be interested in joining NDC which will benefit them greatly in many ways. A physical activity in dance that promotes self-confidence, alongside technical skills and working as part of a team. Existing users of NDC will benefit from this grant as it will give them a sense of identity. They will be able to perform as a group knowing they are representing NDC as one.
