PROPOSED NORTH ELEVATION

PROPOSED NORTH ELEVATION SHOWING FENCE

Proposed fence to match existing fence with low level brick wall and stone coping below.

PROPOSED WEST ELEVATION

New dormers to be in same material as staircase extension (see image below) except with flush joints as opposed to standing seam.

Grey metal cladding to existing extension (stair tower) to provide modern contrasting look against old brickwork.

Indicative example of gabion wall to patio surrounds

Drawing: Proposed North and West Elevation		
Scale: 1:100	Date: Aug 18	Drawn: SP
Job No: 3246	Dwg No: 17	Rev: G

Technical drawing of a window assembly showing a cross-section of a wall. The drawing includes a window frame with two panes, a thick layer of insulation (hatched), and a brick base. A red line indicates the vertical centerline. A human figure is shown for scale.

See architects drawings for details of car parking area

Resurfacing over approximately 165m of 3.7m width. Minor ground regrading and removal of minor vegetation abutting route required to achieve works and to increase achievable forward visibility. Road reconstruction to feature Type 1 stone with Asphalt finish dressed to existing kerbs (i.e little or no excavation required).

Lighting bollard at intervals to be set back a minimum 0.45m from the edge of carriageway

Vehicular passing place

Existing drainage gullies and trench on southern side of track to be retained

Pedestrian passing / waiting places

Speed hump to signify start of shared surface area
