

STOCKPORT COUNCIL

REPORT TO CABINET- SUMMARY SHEET

Subject: Alliance Framework for Highway Related Services

Report to Cabinet

Date: 06/10/2020

Report of: (a) Cabinet Member for Economy & Regeneration

Key Decision: (b) Y

Forward Plan General Exception Special Urgency (Mark with a Y if applicable)

Summary:

Highway and Bridge maintenance and improvement works have been undertaken by the Alliance in partnership with the Council's Wholly Owned Company, Totally Local Company Ltd (TLC) since 2009 and this has enabled the Council to deliver major projects such as the £100m Highway Improvement Programme and the £73m Town Centre Access Plan which are made up of multiple projects to improve the highway network and the access into and around the town centre respectively, which it would otherwise have been unable to complete. The proposed Alliance Framework will provide specialist support to the Council such as bridge replacement which cannot be provided by TLC. It will also provide additional support in terms of highway improvements which will enable TLC to have the flexibility to complete works as and when they have the resources available. This will ensure that the Council has the resilience to deal with unforeseen events such as the recent widespread flooding and the Covid-19 pandemic whilst still allowing the Council to effectively deliver its infrastructure improvement works over the next 10 years.
