(v) Ward Flexibility Funding - Brinnington and Central Ward

A report was submitted (copies of which had been circulated) setting out proposals for the allocation of Ward Flexibility Funding in 2020/21 for the Brinnington and Central Ward in order to support the social and impact of Covid-19.

The report identified that where there was an ongoing need, activity mobilised as a direct response to Covid-19 should continue and where an offer needed to be redesigned to meet the challenges of living with Covid-19 this could take place. Where gaps in the community offer remained, this needed to be filled.

A virtual partnership of front line workers from the Council, schools, Clinical Commissioning Group, Stockport Homes, Greater Manchester Police etc had undertaken work in Lancashire Hill with the newly formed mutual aid group. This would support improved local understanding as well as building relationships between services and the community in order to respond effectively and build resilience.

Accordingly the Brinnington and Central Ward Councillors proposed to earmark Ward Flexibility Funding as follows:-

Investment	Amount
Developing the community offer operating from Heaton Norris Pavillion	£1,000
Supporting the development of the Lancashire Hill Mutual Aid group	£1,000
Working with the local Team around the Place to support further community capacity	£1,000

RESOLVED – That the earmarked allocations be noted and detailed proposals be submitted to the Brinnington and Central Ward Councillors in due course during 2020/21.
