ONE TO ANOTHER

**WE HAVE SEEN HOW PEOPLE
FROM ACROSS STOCKPORT
HAVE COME TOGETHER TO
SUPPORT EACH OTHER, HELP
FAMILY, FRIENDS, NEIGHBOURS
AND COLLEAGUES TO BUILD
NEW AND STRONGER
RELATIONSHIPS.**

1

TOGETHER WE HAVE FACED THE CHALLENGE OF COVID-19

- 1 Our committed **key workers** have shown unwavering resilience and commitment to support health and wellbeing
- 1 Our **schools, colleges and childcare providers** have supported key workers, vulnerable children and home schooling
- 1 **Voluntary organisations and community groups** across the borough have stepped up to provide support to the more vulnerable in our society

- 1 Stockport's **committed** and **passionate business community** has connected and provided valuable guidance, support, assistance and advice
- 1 By making the most of **digital technology**, we have been able to introduce more flexible working while remaining connected to family, friends and colleagues

NEW WAYS OF LIVING AND WORKING HAVE SHOWN THAT WE ALREADY HAVE MUCH TO BE PROUD OF, THAT WE ARE READY TO BECOME ONE STOCKPORT BECAUSE WITH ADVERSITY COMES INNOVATION.

- 1** We have **reduced** our carbon footprint
- 1** We have **rediscovered** walking and cycling
- 1** We have **found** new, flexible ways of working.

I have never known communities coming together like this and people are beginning to understand how vital their actions are and the impact they can have on local groups, shops and organisations. It feels like there is really a desire for this to continue post the pandemic.

FORWARD AS ONE

**WE KNOW THAT THE TIMES AHEAD
MAY BE CHALLENGING BUT WE CAN
ADDRESS THESE TOGETHER.**

Our way of life may change but we have an opportunity to learn from our experiences, to adapt and change for the better.

By looking out for neighbours, friends, families and colleagues we can protect the most vulnerable.

By listening to our children and young people we can shape the future.

WE HAVE USED THE EXPERIENCES OF THE PAST FEW MONTHS TO CRAFT THE BEGINNINGS OF A CAMPAIGN THAT WE BELIEVE WILL BUILD ON THE SENSE OF COMMUNITY, WHERE WE HAVE SEEN STRANGERS HELPING AND CARING FOR EACH OTHER.

We have walked and cycled more, we have experienced cleaner air and enjoyed a new more flexible way of working. This has helped to shape our initial vision, mission and values for One Stockport but it is just the start. The One Stockport message will evolve. We want to use input and engagement to mould the future of One Stockport. We want you to help us to design One Stockport.

WE HAVE A UNIQUE OPPORTUNITY TO CAPTURE THE MOMENT AND BUILD ON THE SENSE OF COMMUNITY.

You can be part of the plan for Stockport that enables us to build back better.

We must all capture the momentum and build on the positive experiences we've had during the crisis, to not just slip back into the 'old normal' but to come together to build back better.

We have the opportunity to take an ambitious leap together, to develop new and exciting collaborations and ways of working.

TOGETHER WE CAN RESPOND TO COVID-19 AND BUILD A STRONG FUTURE FROM OUR COLLECTIVE AMBITION.

You can play your part - from supporting local businesses to volunteering in our communities. We came together through the crisis, now we have a chance to stay together in the future. Now you can be part of One Stockport.

WHAT DOES ONE STOCKPORT MEAN?

ONE STOCKPORT IS WHAT YOU WANT IT TO BE. WE WANT TO HEAR YOUR IDEAS, WHAT MATTERS TO YOU AND TO YOUR COMMUNITY.

By engaging with One Stockport you also have a great opportunity to help shape the wider borough plan, your plan. The One Stockport message will evolve as together we identify new strands to address the needs of everyone for now and in the future.

- 1 It could be about **helping** your friends, families and neighbours or **volunteering** in your local community
- 1 It could be about **shopping local** and supporting local businesses
- 1 It could be about reducing the impact of **climate change** on the borough
- 1 It could be about harnessing the **power of digital** and new technology
- 1 It could be about **listening to our children and young people** and empowering them to shape the future

- 1 It could be about **partnerships** – working together across public services, business and voluntary and community sectors
- 1 **One Stockport is about you, it's about everyone** – where no one is left behind, reducing inequalities and increasing equity

LET'S COME TOGETHER AS ONE

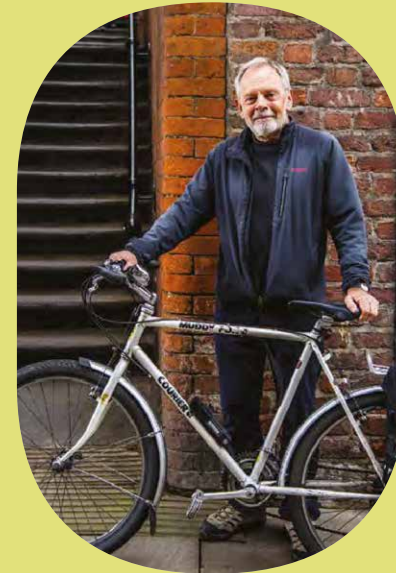

Stockport, a key component in successfully helping to drive **growth and development** across the region, is looking to it's many **diverse communities** to have a say in the future.

It is important that everyone has the opportunity to have their say, to help mould and evolve a new plan for the borough that will **build a better future** for everyone. This means supporting the local economy, connecting communities and promoting health & wellbeing. Your input is vital to achieve a plan that meets individual needs:
