**Autisk is a support group in Stockport supporting families who have children and young people with disabilities**

**We couldn't sit back and watch families off Stockport struggle to feed their children due to Covid and the governments refusal to help during school holidays so we've set up the Stockport Food And Christmas Support Mission**

**Our aim is to help provide food for any families in Stockport who are struggling this won't be means tested it will be referral based**

**Also to ensure Christmas happens and is magical for every children in Stockport who's parents are struggling due to the current situation**

**Referalls can be done via social care / school/ Stockport homes /Stockport council/family or friends referral or self referral**

**We arnt here to judge we are here to work as a community to help each other**  
**Email details are autisk17@gmail.com**
