

A34 MRN Cheadle Improvement Plan (Phase 1)

November 2020

STOCKPORT
METROPOLITAN BOROUGH COUNCIL

A34 Cheadle Improvement Plan

- In February 2020, the Government awarded a grant to Stockport Council to develop proposals for the part of the A34 corridor between A560 (Gatley Road) and A555.
- The improvements are designed to:
 - Alleviate congestion,
 - Unlock growth potential in the surrounding area; and
 - Enhance accessibility by sustainable modes.

Project Objectives

- Improve active mode uptake through the corridor
- Support economic growth and rebalancing
- Support housing delivery with sustainable infrastructure
- Support all road users by improving accessibility to key sites
- Support strategic road network

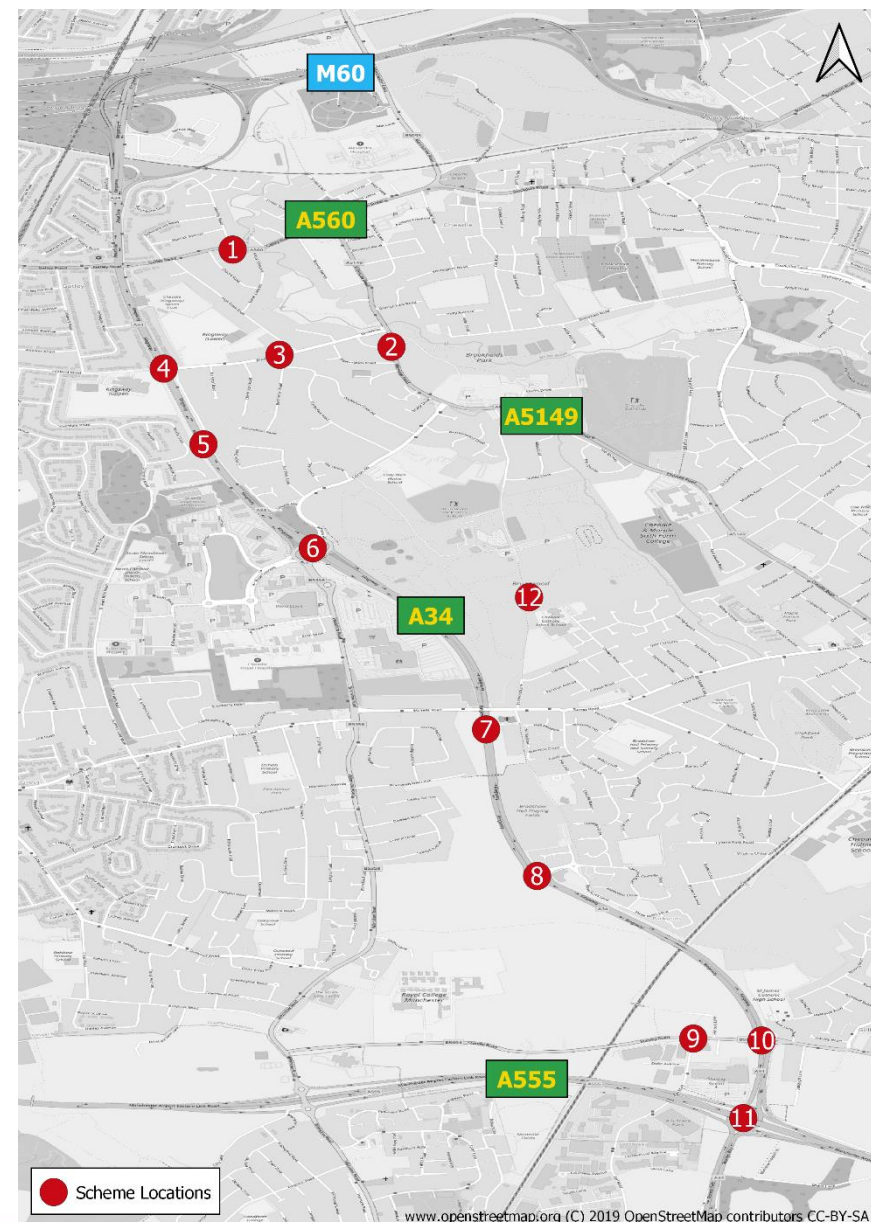

Have your say

- Stockport Council has run a 6-week consultation on the proposals, from 5th October to 13th November 2020

Next steps

- Once the consultation closes a full report on the results, including the numbers of responses and summaries of comments will be submitted to Area Committees for consideration.
- If funding is awarded by the Department for Transport, the Council anticipates construction to take place in a phased approach between mid-2022 and 2025.
