I was in 2 pantomimes at The Garrick when I was aged 6 and 7. Such wonderful, memorable experiences. Young people interested in the theatre should have the very best conditions in which to develop.

I've been involved with the Garrick over the last 10 years and I've gained so much confidence, been able to get better at making theatre, given so many worthwhile learning opportunities, the chance to be involved with some genuinely world class projects. Looking forward to what is to come x

Amateur theatre is one of the very great strengths of the north-west - and the Garrick is the jewel in the crown as far as we are concerned. We have seen so many brilliant productions over the years and are happy to donate to this excellent cause. Catriona and Andy Stoker

This is for such a great cause and a great little theatre that has been in my life for over a decade. I hope it becomes a real hub for our community!

Such a lovely theatre and great events. Just sorry it's had to be closed for so long through Covid-19, hope it can resume plays soon.
