

**Ward Flexibility Funding Application**

To the Area Committee.

Cheadle Cycling Club is here to promote, develop and foster the sport of cycling in Stockport.

We have bike rides organised by Cheadle cycling club, our rides and routes are designed for all abilities. We welcome all communities to participate whether it's fitness wellbeing or a social activity.

Cheadle and Stockport surrounding areas would benefit from the funding which will provide better facilities and better cycling equipment.

The funds would be very useful towards purchasing cycling equipment and towards to clubs structure were residents of Stockport can benefit.

We have provided a quotation for funds which will be for residents of Stockport.

The Cheadle Cycling Club is operated by volunteers to ride leaders who have experience in cycling.

Our rider leaders are trained by British cycling.

The funds will be very valuable for the Stockport residents, cycling is a great form of exercise and encouraging people to participate.

Yours sincerely,

M.Ashraf

Cheadle Cycling Club
