

## FULL ACCESS COMPOSTER

with a building and grab rail kit £7300

The building shown right is our standard steel model.

The building has a galvanised frame, Plastisol and zinc coated steel cladding (with a 30 year manufacturer's guarantee) and wipe down internal linings.

**“ GROWING IN PARTNERSHIP”** which is situated at the poly tunnels in Woodbank Park has a **NATSOL COMPOST TOILET** on their site. It has been there for around 6 to 7 years.
