5. TEENAGE PREGNANCY STRATEGY – PROGRESS TOWARDS THE 2010 TARGET

(Enclosed)

To consider an update report of the Corporate Director, Children and Young People outlining Stockport's progress towards reducing under 18 conception rates.

Year end performance data for 2009/10 shows that Stockport failed to meet its target to "achieve a percentage reduction in under 18 conception rates from 1998 baseline by 26%."

A report on "the teenage pregnancy strategy – progress towards achieving the 2010 target" was considered by Scrutiny in January 2009; and the Health Scrutiny Committee felt that now would be a timely opportunity for a follow-up report to discuss performance data in further detail, measures to reduce under 18 conception rates and related challenges.

The Committee is requested to comment on the report.
