| A Constitution/governing document/set of rules | X (yes) |
| An Equal Opportunities Policy | X (yes) |
| A Child Protection Policy (where necessary) | X (yes) |
| A Health and Safety Public liability | X (yes) |

2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.

Introduction to sailing course for 10 to 16 year olds. Three courses, starting 02/04/2021.
Funding required to upgrade sailing equipment.

10. Who will benefit from this grant?

e.g. local residents, young people, older people and how?

Local children aged 10 to 16 will learn to sail single handed dinghies. We are running a series of courses starting on 02/04/2021.

10(a) How Many Stockport residents will benefit?

25 to 30 children are expected to take the course; 10 children (max) will attend each which will take place during spring and summer 2021. We anticipate that most of the children will be Stockport residents.

10(b) Are there any restrictions on who will benefit from the funding?

No. ECPSC is an inclusive sailing club

11. Your Project's Budget

Please provide a breakdown of cost for your project including VAT where applicable and submit any estimates for the purchase of equipment or work to be done.

To run the course safely, we need to upgrade the fleet of dinghies we use for training. We anticipate replacing rigging (ropes and cleats), sails where necessary, foot straps, and rudders, tillers and centre-boards where necessary

11(a) How much will the project/activity cost in total?

We have budgeted £2000 for the overall upgrade project. A new sail costs between £150 and £375, cleats are upward of £20 each, and centreboards and rudders are £80 each.

11(b) Tell us about other any other sources of income you have already applied for or raised so far in relation to this project

The club is providing all facilities and equipment – boats, wetsuits, life jackets, helmets, plus instruction on and off water. Safety boat cover will be provided and an RYA Senior Instructor will be present at all times. Other services (catering, first aid, reception duties) will be provided by club members and volunteers. We will fund the boat upgrade programme for our own resources - membership fees and fund raising events held during the year - plus any grant income

12. How much are you applying for from the Ward Flexibility Budget?

£1000 – 50% of the programme's budget.

12(a) If the amount you are applying for covers only part of the project/activity, then please tell us how do you intend to fund any shortfall?

The upgrade programme will be reduced in its scope and quality if we do not have full funds. Sails are the biggest cost within the budget; It is most likely that they would not be replaced if funding was not available

13. What is the planned timescale for spending this grant?

Start 02/04/2021

Finish 02/09/2021

3. Which Wards are you Applying to?

You may tick more than one box. Please note that no grant of more than £1,000 in totality will ordinarily be made.

Please tell us for each ward you wish to make an application to:-

- (a) how many people will benefit in that ward; and
 (b) what proportion of funding from your overall application you are seeking from each ward.
