2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.

We would like to apply for funding to have CCTV installed around the schools outdoor classroom. The outdoor classroom was heavily funded by FROGS in 2019 and has been a fantastic addition to the school and wider community at events such as our annual Greave Warrior event which is hugely popular.

Over the last few months the school has been encountering issues with local youths entering the site, causing damage and leaving rubbish around. We have engaged with the local Police & PCSO's who have advised having CCTV will not only be a good deterrent but also assist in the identification of anyone trespassing on the schools grounds. Due to the Coronavirus Pandemic the ability for us to host events to raise funds for items such as this has been severely impacted and due to the increased costs faced by the school to ensure it is Covid Compliant there is no budget available to purchase the required CCTV. The school have recently had a planning application permitted for new higher fencing around the perimeter of the school which will not only support the safeguarding of the pupils but will also hopefully serve as an additional deterrent to stop unwanted guests from entering the site.
