ENFORCEMENT APPEALS

Location	Breach of Planning Control at the former Standard Chemicals site at Mill Lane, Cheadle
Case Officer	Dave Westhead
Appeal Decision	<p>It transpired that Remediation of the site had not been provided which invalidated the planning permission for the development. Following protracted correspondence between the Council and the applicant, an application for an injunction was made to oblige the applicant to cease development and submit a planning application. A Court Order was obtained on 17 December 2019 requiring the applicant to submit a validated planning application by 1 July 2020. Due to the pandemic the Council granted an extension of time to 26 August 2020 and a further extension of time was then granted which will expire on 16 November 2020. Defendants have filed with the High Court to extend compliance period with injunction. Court date set for 28/5/21.</p> <p>At the hearing on 28 May, the defendant's applications to dismiss the claim against him, and to grant a further extension of time to comply with the Court Order requiring the submission of a planning application in respect of the former Standard Chemicals site at Mill Lane, were both dismissed by the Judge.</p> <p>The Council was awarded costs in the sum of £21,238</p> <p>The defendant's representative indicated that his client would be seeking leave to appeal (which needs to be done by 25 June) but the Council has not had any notification of that.</p>
