*You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.*

*Approximately 2 years ago Councillor Suzanne Wyatt approached the committee of Billys lane allotments and spoke about her proposal to have planted containers along the main street of Cheadle Hulme. The council would provide these and initially plant them up. Her request was for the allotment society to the undertake the maintenance of these containers and supplement the existing planting as and when required.*

*The allotment society were fully in agreement that we would undertake this work. 4 of the planters have now been installed and we intend to start the maintenance of them within the next two weeks.*

*The grant if approved will be used to buy plants to supplement those already planted and should be enough to last till the end of 2022.*

*As an allotment society we see this project as a way of further strengthening our ties with the local community and assisting in beautifying part of the main road through Cheadle Hulme.*
