

Action Plan - Appendix 2

Key- Not Commenced - Partly Commenced - Already Commenced

Stockport Homes' Aim	Climate Change Strategy Objectives	SHG Service Sector	Action	Desired Outcome	Lead Officer	Support Officer	Start Date	Deadline Date
SHG to be carbon neutral by 2038	Reduce SHG carbon emissions by 48% by 2025 (against baseline figures)	SHG HOMES & OPERATIONS	Produce carbon model of housing and operational emissions	Annual Report produced	Natalie Makin	Nicholas Wilson	01/04/2023	31/12/2023
		SHG HOMES & OPERATIONS	Develop Road Map to Carbon Neutrality by 2038	Produce road map for homes and operations	Ace Keating	Natalie Makin	01/04/2023	31/12/2023
		SHG HOMES	Develop plan for insulation installs where required	Identify properties to be considered for insulation installs	Ace Keating	Joanne Worrall	01/04/2023	31/12/2023
		SHG HOMES	Develop programme to increase the number of properties with renewable energy	40% of properties receive at least one form of renewable energy by 2024 (100% by 2038)	Nicholas Wilson	Environmental & Energy Graduate	01/01/2023	31/12/2023
		SHG HOMES	Develop programme targeting properties within low EPC bands	100% of properties to be EPC C or above by 2025	Nicholas Wilson	Environmental & Energy Graduate	01/04/2023	31/12/2023
		SHG HOMES	No new gas installs to be undertaken by 2023	100% of planned gas installs replaced by low carbon technology	Steve Leonard	Joe Keating	01/01/2023	31/12/2023
		SHG OPERATIONS	Develop plan for the electrification of the operational fleet	60% of operational vehicles to be electric by 2024 (100% by 2028)	Jason Tighe	Nicholas Wilson	01/01/2023	31/12/2023
		SHG OPERATIONS	Develop plan for the reduction in grey fleet (lease and personal cars) environmental impact	25% reduction in environmental impact per FTE by 2025 (50% by 2028)	Nicholas Wilson	Yvonne Grealish	01/04/2023	31/12/2024
		SHG OPERATIONS	Ensure maximisation of recycled waste	Maintain current levels of waste being recycled and sent for energy recovery and 100% of waste diverted from landfill	Natalie Makin	Jonathan Howard	01/04/2023	31/03/2026
		SHG OPERATIONS	Comply with all associated pollution prevention legislation	100% compliance every year	Natalie Makin	Jonathan Howard	01/04/2023	31/12/2023
		SHG OPERATIONS	Monitor water consumption across services and workplaces and seek to reduce where feasible	Produce annual report on water consumption and explore options for reduction	Natalie Makin	Jonathan Howard	01/04/2023	01/04/2022
		SHG OPERATIONS	Encourage uptake of pool electric bikes	Run awareness raising campaign each year to encourage staff uptake of pool bikes and include pool bike induction on new staff office induction	Daniel Johnson	Nicholas Charnock	01/04/2023	31/03/2026
		SHG OPERATIONS	Assess viability of introducing electric pool cars	Produce report on costs and CO2 savings from introducing electric pool cars	Nicholas Wilson	Yvonne Grealish	01/04/2023	01/04/2022
		SHG HOMES	Consider installing Solar PV systems as part of re-roofing programme	Feasibility study into installing Solar PV systems as part of re-roofing programme	Ace Keating	Nicholas Wilson	01/04/2023	31/12/2023
		SHG HOMES	Obtaining the most cost effective option in order to deliver upon the proposed 2023 eradication of gas in new build	New homes built from 2023 will have the most cost effective energy solution installed	Chris Munby	Development Officers	01/01/2023	31/03/2026
		SHG HOMES	Investigate options and take advantage of opportunities to deliver new modular dwellings	Increase in the number of new modular homes delivered by SHG	Chris Munby	Development Officers	01/04/2023	31/03/2026
		SHG HOMES	Assess viability of building certified Passivhaus properties	Produce report on the cost and benefits of Passivhaus on new build sites	Chris Munby	Development Officers	01/04/2023	31/03/2026
		SHG OPERATIONS	Switch Operational electric and gas to green tariffs	100% of operation electric and gas supplied by green tariffs by 2025	Natalie Makin	Jonathan Howard	01/01/2023	31/03/2026
		SHG HOMES	Look to install electric vehicle chargers/ infrastructure within new developments	All new developments properties to be fitted with EV chargers or infrastructure to enable future installs	Chris Munby	Development Officers	01/04/2023	31/03/2026
		SHG OPERATIONS	Deliver carbon literacy accredited My Planet and Me training to SHG staff	100% of staff Carbon Literate by 2025	Natalie Makin	Daniel Johnson & Nicholas Wilson	01/04/2023	31/12/2025
		SHG OPERATIONS	Deliver carbon literacy accredited My Planet and Me training to SHG Board	100% of SHG board members Carbon Literate	Natalie Makin	Daniel Johnson & Nicholas Wilson	01/04/2023	31/12/2023
	Contribute positively to local greenspace and biodiversity	SHG OPERATIONS	Train employees in PAS 2035 roles	A minimum of 1 officer from Stockport Homes and 1 officer from contractor trained to appropriate PAS 2035 qualification levels	Mike Coppock	Nicholas Wilson	01/04/2023	31/03/2026
		SHG HOMES & CUSTOMERS	Look to install plants, trees and foliage that encourage biodiversity in landscaping at new development schemes	Encourage biodiversity and create greener places to live	Chris Munby	Development Officers	01/04/2023	31/03/2026
		SHG HOMES & CUSTOMERS	Explore installing bee hives on Stockport Homes buildings	Produce briefing note on possible install locations	Frank Carlan	Environmental & Energy Graduate	01/04/2023	01/04/2022
		SHG HOMES & CUSTOMERS	Install Bird / Bat Boxes on new build properties	20% of new build properties to be fitted with Bird/ Bat boxes	Chris Munby	Development Officers	01/04/2023	31/03/2026
	Increase customers awareness of environmental issues and encourage behavioural change to maximise the benefits of new renewable technologies and help reduce individual carbon footprints	SHG HOMES & CUSTOMERS	Greenspace team to seek to protect and increase the biodiversity of spaces through appropriate management, improvements, new projects and activities	Encourage biodiversity and create greener places to live	Tony de Beaufort	Annie Scott	01/04/2023	31/03/2026
		SHG CUSTOMERS	Widen customer engagement around environmental issues by offering Carbon Literacy training	100% of tenants offered Carbon Literacy training by 2025	Natalie Makin	Daniel Johnson & Nicholas Wilson	01/04/2023	31/12/2025
		SHG CUSTOMERS	Providing a range of opportunities to collaborate with customers on the climate change agenda	Customers have a range of accessible opportunities to influence and co-produce the climate change agenda	Natalie Makin	Rebecca Sweeton	01/04/2023	31/12/2023
		SHG CUSTOMERS	Energy Advice service to undertake case studies with SHG customers who have switched to low carbon technology	Produce case studies on new low carbon installs	Daniel Johnson	Nick Charnock & Rebecca Sweeton	01/04/2023	31/03/2026
		SHG CUSTOMERS	Undertake "drop in" Energy Advice service sessions at Community centres/ Cornerstone for SHG customers	One Energy Advice service drop in session per quarter	Daniel Johnson	Nick Charnock	01/04/2023	31/03/2026
		SHG CUSTOMERS	Energy Advice service to undertake visits to SHG customers	Energy Advice service to undertake 650 visits to SHG customers annually	Natalie Makin	Daniel Johnson & Nick Charnock	01/04/2023	31/03/2026
		SHG CUSTOMERS	Energy Advice service to provide behavioural change advice to customers upgrading to low carbon technology	High customer satisfaction levels with retrofit procedures	Daniel Johnson	Nick Charnock	01/04/2023	31/03/2026
