## **7. CALL FOR BROWNFIELD SITES 2021**

A representative of the Corporate Director (Place) & Deputy Chief Executive submitted a report (copies of which had been circulated) to confirm that the Council had launched a “call for brownfield sites” to support work on the new Local Plan and to provide more information on the activities taking place to promote the call for brownfield sites exercise.

Members suggested that landowners and commercial property owners within Stockport should be contacted directly as part of the call for brownfield sites.

RESOLVED – That the report be noted.

## **8. RESIDENT PARKING POLICY UPDATE**

A representative of the Corporate Director (Place) & Deputy Chief Executive submitted a report (copies of which had been circulated) detailing the updated Residents Parking Policy that had been approved by the Cabinet in December 2020.

The following comments were made/issues raised:-

- Members expressed their frustrations at the delay to the production of this report, and noted that residents may feel underwhelmed at the proposals given the prohibitive costs and criteria involved in applying for residents’ parking schemes.
- Members expressed concern that the budget may allow for only one larger residents parking scheme to be granted through the area committee’s delegated budget per year, due to the considerable costs of each potential scheme.
- It was commented that a ‘one size fits all’ policy may not be the correct approach for the borough, with different parking pressures being present in different areas.
- Members welcomed the proposal to pass the decision making authority for the residents’ parking schemes to the ward members.

RESOLVED – That the report be noted.

## **9. DORSET AVENUE, BRAMHALL - PROPOSED TRAFFIC REGULATION ORDER**

A representative of the Strategic Head of Service (Legal & Democratic Governance and Monitoring Officer) submitted a report of the Corporate Director (Place) & Deputy Chief Executive (copies of which had been circulated) detailing a number of concerns raised regarding parking on Dorset Avenue, Bramhall, specifically that motorists were parking their vehicles along the east side of Dorset Avenue, sometimes in an erratic manner which was causing access issues for other motorists, including residents, as the carriageway was relatively narrow. It had also been reported that vehicles were sometimes parked on the bend, on junctions and opposite junctions reducing visibility, and causing safety concerns.

The following comments were made/issues raised:-

- It was commented that the issues on Dorset Avenue were closely tied to parking issues in Bramhall Park and that the success of the park had had a detrimental impact on the parking situation on the surrounding streets. Members hoped for a specific plan for the parking issues at Bramhall Park.
- It was noted that ward members were in ongoing discussions with officers with regard to a long-term solution for parking in the area, and that any proposals would be brought back to the area committee once they were closer to completion.

RESOLVED – That approval be given to the legal advertising of the Traffic Regulation Orders detailed in Appendix A to the report, and subject to the receipt of no objections within 21 days of the advertisement date, the subsequent making of the orders at a cost of £1,400 to be funded from the Area Committee' Delegate Budget (Bramhall North ward allocation).

## **10. PROGRESS ON AREA COMMITTEE DECISIONS**

A representative of the Strategic Head of Service (Legal & Democratic Governance and Monitoring Officer) submitted a report (copies of which had been circulated) to provide an update on progress since the last meeting on decisions taken by the Area Committee and to detail the current position on area flexibility funding. The report also includes the current position on the highway and traffic management delegated budget.

It was noted that the area committee balances had been updated in the report for the new financial year with renewed delegated budget and ward flexibility funding budgets for the area committee.

RESOLVED – That the report be noted.

The meeting closed at 7.24 pm
