Dear Sirs,

Application for Ward Flexibility Funding

Enclosed please find application for funding for Cheadle Sports- Bowls, section of Cheadle Kingsway Sports Club.

The funding is in connection with a significant increase in bowls membership (approx. 30%), following a recruitment drive supported by the BOWLS DEVELOPMENT ALLIANCE who helped us prepare a development plan, and provided a consultant to assist with this.

We feel sure you will support our initiative to keep people physically and socially active, particularly after the pandemic.

Please advise any questions to the undersigned.

**N H Walker
Life Member and Bowls Committee Member**
