

## **OVERDALE ROAD PLAY AREA - DELEGATED WARD BUDGET**

### **Report of the Director of Place Management**

#### **1. INTRODUCTION AND PURPOSE OF REPORT**

- 1.1 To request an allocation of £2,600 of Delegated Ward Budget towards the cost of reinstating the cable way play item in Overdale Road Play Area.

#### **2. BACKGROUND**

- 2.1 In August 2020 the cable way play item in Overdale Road Play Area had to be decommissioned for safety, due to a split along the upper weld of one of the uprights.
- 2.2 The upright (weld) cannot be repaired. The cable has been removed to prevent the play item from being used.
- 2.3 A new support post (with additional leg support) and repair to the access platform is required for the play item to be brought back into use.
- 2.4 The cable way was originally installed in 2010.
- 2.5 The play area maintenance budget is prioritised to risk management and could not cover the full cost of reinstating the cable way at this time.
- 2.6 There is currently £20,738 available in the Delegated Ward Budget for Bredbury Green.

#### **3. PROPOSED WORK**

- 3.1 Supply and install a new cable way post with safer surface repair and repair to the access ramp at a cost of £2,600.00
- 3.2 Works are expected to take eight weeks to complete from the order date.

#### **4. CONCLUSIONS AND RECOMMENDATIONS**

- 4.1 That the Area Committee supports the scheme outlined in the report and authorises the Corporate Director for Place Management to proceed with the project, to the value of £2,600.00
