The Strategic Head of Service & Monitoring Officer (Legal & Democratic Governance) submitted the draft Scrutiny Annual Report 2020/21 (copies of which had been circulated).

The following comments were made/ issues raised:-

- It was disappointing that the final report of the scrutiny review undertaken by the Communities & Housing Scrutiny Committee with regard to the Council's Policy for Active Streets, Play Streets and School Streets had not yet been received.
- It was stated that the Cabinet needed to provide a response to the recommendations made by the scrutiny reviews that had submitted their final reports.
- It was confirmed that Jonathan Davies would be taking up the role of Statutory Scrutiny Officer.
- The Scrutiny Committee reiterated its view that more work was need with regard to the governance of outside, or partner, bodies and organisations.

RESOLVED – (1) That the report be approved for submission to the next ordinary meeting of the Council Meeting.

(2) That it be noted that the scrutiny committees awaited the Cabinet's response to those scrutiny review final reports that had been submitted during the last municipal year.

6. SCRUTINY REVIEW TOPIC SELECTION 2021/2022

The Statutory Scrutiny Officer and Strategic Head of Service & Monitoring Officer (Legal and Democratic Governance) submitted a report (copies of which had been circulated) suggesting a process for the selection of Scrutiny Review topics for the 2021/2022 municipal year.

The Statutory Scrutiny Officer and Strategic Head of Service & Monitoring Officer (Legal and Democratic Governance) attended the meeting to seek the Scrutiny Committee's view on the development of a work programme for the committee for the remainder of the 2021/22 municipal year.

The following suggestions were made:-

- How actions agreed as part of motions passed by the Council Meeting were acted upon.
- The arrangements for the governance of partner organisations.

A further discussion took place in relation to the impact of the reduction in the number of scheduled meetings of scrutiny committees throughout the year, however it was noted that this matter had been discussed several times in the past and most recently at the last meeting of the Scrutiny Committee.
