**REPORT TITLE: PORTFOLIO PERFORMANCE AND RESOURCES –
MID-YEAR REPORTS 2021/22**

1. Introduction and Background

- 1.1 The Mid-Year Portfolio Performance and Resource Reports (PPRRs) for the Sustainable Stockport and Inclusive Neighbourhoods Portfolios are presented for consideration by the Committee.
- 1.2 These provide a summary of progress in delivering the portfolio priorities, reform programmes and other key projects in the first half of the year, with a particular focus on the second quarter (July to September). They include forecast performance and financial data (where this is available) for the Portfolios, along with an update on the portfolio savings programmes.
- 1.3 The Portfolio Reports are based on the 2021/22 Portfolio Performance and Resource Agreements (PPRAs), which were considered by the Committee on 14 June and approved by Cabinet on 29 June 2021. A Financial Update Report covering the period to the end of July was considered by CRMG Scrutiny and Cabinet in September.
- 1.4 The Mid-Year Reports focus on highlights and exceptions with links to supporting documents, including the Portfolio Agreements. They also update on delivery of partnership priorities set out in the new ONE Stockport Borough Plan.
- 1.5 The Portfolio Performance Dashboards have been updated and can be accessed via the hyperlink within each report to the respective Portfolio Dashboard. These provide access to the latest data, including detailed trend, comparative analysis (where available) and commentary for all portfolio performance measures.
- 1.6 In order to ensure the timeliness of these reports, they are considered by Scrutiny Committees ahead of the Corporate Report (CPRR) being submitted to the Cabinet Meeting. This will also allow any significant changes or issues raised to be fed back alongside the Corporate Report at the Cabinet Meeting on 7 December.
- 1.7 Members are asked where possible to direct any detailed questions or requests for further information in advance of the meeting via the respective Democratic Services Manager to enable the timely provision of additional information.
