

CONTINUING TO PROVIDE HIGH QUALITY SERVICES

Report of the Executive Nurse and Deputy Accountable Officer Stockport CCG

1. INTRODUCTION AND PURPOSE OF REPORT

The information is intended to provide an update on the emerging ICS context for Stockport in relation to our role and functions for

- Quality assurance (QA)
- Quality oversight and (QO)
- Quality improvement (QI)

There has been an update already provided to shadow locality board, as part of the **One Health and Care Plan for Stockport, Leadership and Quality section.**

We know there will be a request to develop arrangements as part of functions delegated from the ICB, and this presentation describes what we are being asked to do.

We have received some early guidance from the NHSE and the National Quality Board regarding expectations in relation to the boundaries of the governance from the ICB for Places in the GM ICS

There are some proposed ways of working that are being discussed and developed as part of the transition programme.

2. CONCLUSIONS AND RECOMMENDATIONS

- 2.1 The Health and Wellbeing Board are asked
- To note the discussions that are taking place

BACKGROUND PAPERS

The One Stockport Health and Care Plan provides further context
