**REPORT TITLE: PORTFOLIO PERFORMANCE AND RESOURCES –
THIRD QUARTER UPDATE REPORTS 2021/22**

1. Introduction and Background

- 1.1 The Third Quarter Update Portfolio Performance and Resource Reports (PPRRs) for the Citizen Focus & Engagement and Resources, Commissioning & Governance Portfolios are presented for consideration by the Committee.
- 1.2 These provide a summary of progress in delivering the Portfolio priority outcomes since the mid-year reports. In the case of the budget and capital updates, these cover the period since the Q2+ report considered by CRMG Scrutiny in January and Cabinet on 1st February.
- 1.3 The Third Quarter Update Reports focus on the Portfolio performance measures which are reported where new data or forecasts are available since the Mid-Year Reports.
- 1.4 The Portfolio Performance Dashboards have been updated and can be accessed via the hyperlinks within the reports. These provide access to the latest data, including detailed trend, comparative analysis (where available) and commentary for all portfolio performance measures.
- 1.5 The 2021/22 Annual Reports will be presented to the first Scrutiny Committee cycle of the next municipal year in June and will include out-turn performance and financial data for the Portfolios, alongside progress on key delivery programmes during the second half of the year.
- 1.6 In order to ensure the timeliness of these reports, they are considered by Scrutiny Committees ahead of the Corporate Report (CPRR) being submitted to the Cabinet Meeting. This will also allow any significant changes or issues raised to be fed back alongside the Corporate Report at the Cabinet Meeting on 15th March.
- 1.7 Members are asked where possible to direct any detailed questions or requests for further information in advance of the meeting via the respective Democratic Services Manager to enable the timely provision of additional information.
