Signage - Bramall Hall

Report of the Corporate Director for Place Management & Regeneration

1. INTRODUCTION AND PURPOSE OF REPORT

- 1.1 To seek approval for the supply and installation of new signage in relation to Bramall Hall.

2. BACKGROUND

- 2.1. The Local Ward Councillors have received several concerns in relation to larger vehicles driving down Bramhall Park Road and Carrwood Road to access Bramhall Park. As Bramall Hall and Bramhall Park have become more successful, it is essential that we direct the larger / heavier vehicles, including coaches visiting Bramall Hall down a preferred route away from Bramhall Park Road to avoid Lady Brook Bridge which has Traffic Regulation Order for 3 Tonne maximum weight restriction and has signs informing drivers that it is a 'weak bridge'.
- 2.2. The Local Ward Councillors have also received requests from two of the local scout groups in the area. Both groups have highlighted difficulties members of the public, including potential new members, have encountered when trying to find their respective buildings and therefore, have requested advanced directional signage to alleviate this problem.

3. PROPOSALS

- 3.1. To resolve the concerns raised, Traffic Services propose to install a number of new signs. These proposals are show in **Drawing Nos. NM36-Bramall Hall-01 Rev A, NM36-Bramall Hall-02, NM36-Bramhall Hall-03, NM36-Bramall Hall-04, NM36-Bramall Hall-05 and NM36-Bramall Hall-06.**
- 3.2. These concerns have been shared with Bramall Hall who have kindly agreed to contribute 50% towards the costs of the new signage.

4. LEGAL POSITION/IMPLICATIONS

- 4.1. None.

5. CONSIDERATION OF ALTERNATIVE SOLUTIONS

- 5.1. None.

6. CONSULTATION

- 6.1. It is not necessary to carry out a consultation for these proposals.

7. FINANCIAL IMPLICATIONS

7.1. The estimated costs of this scheme are £3,100.

Bramall Hall will contribute £1,550 and the Bramhall North Ward Delegated Budget will fund the remaining £1,550.

8. TIMESCALES

8.1. 8-12 weeks.

9. EQUALITIES/COMMUNITY IMPACT ASSESSMENT

9.1. Equal Opportunities

- To provide a suitable and safer environment for pedestrians and other road users. The scheme contributes to the Council's vision statement "Promote equal life outcomes for all by tackling known inequalities across the borough of Stockport".

9.2. Sustainable Environment

- To develop and sustain a healthy, safe and attractive local environment which contributes to Stockport. Stockport Council understands the responsibility it has to lead by example and help the broader community make a positive contribution to the local environment.

10. CONCLUSIONS AND RECOMMENDATIONS

10.1. The Corporate Director for Place Management & Regeneration requests that the Bramhall & Cheadle Hulme South Area Committee approves the supply and installation of the signage as shown in **Drawing Nos. NM36-Bramall Hall-01 Rev A, NM36-Bramall Hall-02, NM36-Bramall Hall-03, NM36-Bramall Hall-04, NM36-Bramall Hall-05 and NM36-Bramall Hall-06.**
