

COMMUNITY INFRASTRUCTURE LEVY (CIL)

Report of the Director of Place Management

1. PURPOSE OF REPORT

- 1.1. The Chair of the Local Access Forum asked for an update on the CIL.

2. BACKGROUND

- 2.1. Community Infrastructure Levy (CIL) is not in place in Stockport, so there have been no funds collected through CIL and consequently no infrastructure projects have been funded through CIL.
- 2.2. We are required to prepare an Infrastructure Funding Statement each year which sets out information on how money provided by developers is being used to improve infrastructure. This includes contributions made under a range of different legal/planning mechanisms (and would include CIL if in use). The most recently prepared statement is available in Appendix 1. An updated version is due to be published in the near future.
