The Marple & District Allotment asset as described previously is a parcel of land owned by Stockport Metropolitan Borough Council and leased to the Association to be managed and maintained by the Marple & District Allotment Association members.

The purpose of the allotment is for the pursuit of Growing Vegetables, Fruit, Salad Crops and Flowers etc for the use of the members. The allotment also provides significant additional benefits such as Physical Exercise, Education, Social and Community Fellowship, Wellbeing and Interests well into the future.

The Marple Allotments are a limited resource and there is always a waiting list of enthusiastic local people wishing to join the Marple & District Allotment Association.

The loss of these assets would be most regrettable and would be extremely difficult to replace. Considerable effort has been made to improve the site despite the problems created by the Covid-19 epidemic.
