6. Please describe the main activities of your Organisation/ Group

We have organised support between neighbours throughout the pandemic. This has included organising volunteers, taking and fulfilling calls for help with shopping, prescriptions, dog walking and any other ad hoc requests, linking neighbours to each other as 'buddies', organising volunteer marshalls for the vaccination clinics, printing newsletters with useful info for people self-isolating, and co-ordinating Christmas gifts.

8. Does your organisation have the following policies and procedures in place?

If you are awarded a grant you will be required to send copies of all relevant documents as part of the grant agreement.

We have none of the above in place as we are a self-organising group of neighbours, rather than a formal organisation. We have agreed ways of operating and organising ourselves that have enabled us to organise within the community safely and effectively, but no ambitions or plans to become more formal.

2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.

Marple Platinum Jubilee Street Party

The street party will take place on 3rd June 2022 on Market Street and Derby Way and will give local people a chance to meet together in the town centre based around tables that will be set out. We will share some food and non-alcoholic drinks together as we celebrate the Jubilee.

Various people and groups from Marple are supporting this event. We are talking to local primary schools about singing at the event. We have discussed with the local youth club as well so that those young people can be involved. We will be reaching out to all the local care homes and independent living facilities to make sure they are aware of the street party. The Marple Chorus are also going to sing and they have a member on our management team. One of the local councillors is involved on the management team in order to liaise with the council in regard to this event.

We are keen to organise an event that is inclusive for all of the people living in Marple, and we particularly felt that there may well be individuals in our local community who may not have family or friends that they could celebrate the Queen's Platinum Jubilee with. By hiring some tables and equipment we can open up this street party to people and welcome people to it – and this is why we are applying for some funding.

The street party will give local people a chance to meet together in the town centre based around tables that will be set out. We will share some food and non-alcoholic drinks together as we celebrate the Jubilee.

This application is being put in by Marple Mutual Aid as an organisation with common objectives to this project, who can receive and spend funding – but the planning group for this project is much wider.
