Other authorities may, from time to time, join the IAA.
- 1.3 Each of the STAR Authorities have agreed to establish and participate in a joint committee (the “Joint Committee”) and have agreed to delegate their Executive and to the extent that the activities of the Joint Committee are not executive functions the STAR Authorities delegates to the joint committee the power to do anything which is calculated to facilitate, or is conducive or incidental to, the discharge of the Procurement Functions delegated to it.
- 1.4 The Rules ensure that Procurement Functions are undertaken in a legally compliant, transparent, fair and competitive manner. These Rules shall apply to all procurement activity where the Council is to procure any Supplies, Services or the execution of Works, or enters into a Concessions Contract as either a contracting authority or commissioner of such, regardless of the origin of funding (such as external grants, partnership funding, pooled or joint budgets for example).
- 1.5 These Rules allow for Joint Procurement activity to be undertaken by STAR Procurement on behalf of some or all of the STAR Authorities and any other Contracting Authorities (together the Participating Authorities) who may, from time to time opt to participate in the Joint Procurement. The Participating Authorities will select one of their number to act as lead in the process (Lead Authority). The Lead Authority will draft a Memorandum of Understanding (MOU) to be agreed and signed by the Participating Authorities. The MOU will set out the commitment of resources, and other considerations that each will dedicate to the Joint Procurement activity. The Participating Authorities and Officers must follow their own governance procedures and these Contract Procedure Rules as appropriate.
- 1.6 The Joint Committee shall monitor compliance with the Rules and undertake an annual review of the Rules. The Joint Committee may present recommendations for amendments to the Rules to the Council from time to time and any such amendments shall be subject to the Council’s own ratification procedures.

- 2.5 In these Rules the words and phrases below have the meanings detailed at Schedule 2

3. Basic Principles and Responsibilities

- 3.1 Value for money is fundamental to the procurement activity carried out by the Council. This should be achieved through competition, unless there are compelling reasons to the contrary.
- 3.2 In addition to these Rules, above set financial Regulation Thresholds, procurement undertaken by the Council is subject to a legal framework which encourages free and open competition and value for money, to ensure that the public procurement market is open and competitive and that suppliers are treated equally and fairly. The legislative rules cover aspects such as advertising of contracts, procedures for assessing company credentials, awarding the contracts and remedies (penalties) when these rules are breached.
- 3.3 When procurement activity is not subject to the Public Contracts Regulations because the estimated value of a contract falls below the relevant financial Regulations Threshold, Officers and elected Members must adhere to these Rules.
- 3.4 In all procurement activity, Officers and elected Members must comply with the following overriding principles of procurement:
 - a. non-discrimination;
 - b. openness/transparency;
 - c. equal treatment for all;
 - d. mutual recognition; and
 - e. proportionalityAdvice and guidance around the application of these principles in respect of procurement activity can either be accessed via the Procurement Handbook or from STAR Procurement or legal officers.

- 3.5 All procurement activity must be compliant with all relevant legislation, the Council's Constitution, the Procurement Handbook and the local policies in [Schedule 1](#), and as a minimum have regard to:
- a. **The need to achieve accountability** through sound governance mechanisms, with informed decisions which facilitates procurement activity which demonstrates the highest standards of integrity, transparency and fairness and enables the Council to discharge its responsibility in respect of expenditure of public money;
 - b. **The need to provide consistent procurement policy to suppliers and achieve competitive supply;**
 - c. **The need to meet commercial, regulatory and corporate priorities of the Council;**
 - d. **The need to procure responsibly** by considering how what is to be procured may improve social, environmental and economic well-being of the Council's relevant area;
 - e. **The need to ensure Value for Money, Best Value** and achieve efficiencies by administering procurement processes which are cost effective
 - f. **The need to ensure fair-dealing** by ensuring that suppliers are treated fairly and without unfair discrimination, including protection of commercial confidentiality where compatible with the Council's obligations under FOIA and EIR;
 - g. **The need to ensure legislative compliance** in procurement processes and award of contracts;
 - h. **The need to promote responsiveness** by endeavouring to meet the aspirations, expectations and needs of the community served by the procurement processes;
 - i. **The need to provide transparency** by ensuring that there is openness and clarity on the Council's procurement policy and its delivery and a clear audit trail in relation to procurement activity.
 - j. **The need to Social Value** by considering and evaluating Social Value as part of the procurement process including the use of the Social Value Portal for all over £50,000 contracts.
- 3.6 The Procurement Handbook contains further detailed practical guidance and information on the above requirements and process steps which Officers and elected Members must refer to when undertaking procurement activities.

4. Contracts to which these Rules do not apply

- 4.1 Where there is any doubt regarding the application of these Rules, Officers and elected Members must seek guidance from STAR, STAR Legal or their own legal team.
- 4.2 These Rules **do not** apply to the following:

5. Preparation Steps

Officers and elected Members must refer to the Procurement Handbook before undertaking any activity in connection with procurement.

5.1 Governance Requirements: Approval Process

- 5.1.1 The ASO must ensure that they are aware of what decisions must be made at each stage of the procurement process:
- The approval process is fundamental to determine the timescales within which a procurement exercise can be completed. Approval requirements involving decisions which must be taken by the Council's cabinet or Council is likely to extend the overall procurement timescales;
 - The ASO must refer to the Council's Constitution, Scheme of Delegation and/or seek confirmation from its legal team in order to determine the correct and appropriate approval process before any procurement activity is initiated.
- 5.1.2 The ASO must submit a PID to STAR prior to undertaking any procurement activity. By submitting the PID the ASO confirms that they have the authority to initiate the procurement activity. The PID must also determine where there are further approval steps which must be taken throughout the procurement process:
- The ASO will be required to provide evidence of any decisions made and/or approvals obtained in respect of the relevant procurement activity.

5.2 Appraisal of the Procurement Options

- 5.2.1 Once the PID has been received, the ASO, together with the APO, must conduct an options appraisal of the procurement options and will determine, as a minimum:
- Contract value;
 - the most viable route to market;
 - procurement process requirements and associated documentation;
 - market research, engagement and consultation requirements;
 - associated implications;
 - key actions;
 - procurement timescales against approval requirements;
 - Specification or Quotation Specification as appropriate;
 - Social Value and the economic, social and environmental wellbeing of the borough and the benefit which the procurement process can bring to the community and have regard to the duty to secure continuous improvement in accordance with Best Value.

Further information on the above can be found in the Procurement Handbook.

- 5.2.2 The ASO and APO must determine if procurement activity will result in either the employees of the Council or its Contractor transferring to a new employer and they must consult STAR Legal and/or their own legal teams to ensure compliance with TUPE, and other related legislation, and to assess the implications in respect of pension arrangements.
- 5.2.3 The ASO and APO will seek advice and guidance from STAR Legal and/or from colleagues on a wider basis where necessary or desirable.
- 5.2.4 The ASO will liaise with STAR to develop either a Specification or a quotation request commensurate to the scope of the Supplies, Services, execution of Works, or Concessions Contract.

5.3 Framework Agreements and DPS

5.3.1 For the avoidance of doubt, a Framework Agreement or DPS is generally considered suitable where it has either been entered into by:

- a. the Council in compliance with these Rules; or
- b. another local authority, a local authority purchasing consortium or central government where the Framework Agreement or DPS has been tendered and awarded in accordance with procurement legislation, and the Council is identified as a contracting authority.

5.3.2 Where, following an options appraisal as required by [Rule 5.2](#), a suitable Framework Agreement or DPS is identified, the requirements of Rule 5.5.4, Rule 6 (Quotes) and Rule 7 (Tenders) will not be applicable and the ASO and APO must ensure that:

- a. An order is placed or a contract is awarded in accordance with the terms and conditions set out in the relevant Framework Agreement or DPS; and
- b. Where applicable, a mini-competition (the tender process required by the Framework Agreement) is held in accordance with rules of the Framework Agreement or DPS; and
- c. The correct contractual documentation is entered into in accordance with approval requirements.

5.3.3 Framework Agreements must not be for more than four years (including options to extend) unless otherwise authorised by the SRO for Legal.

5.4 Market Research, Engagement and Consultation

5.4.1 The ASO and APO will determine market research, engagement and consultation requirements and where relevant the APO will determine where an ASO may consult potential Bidders or Tenderers in general terms prior to a request for a Quote or an Invitation to Tender provided this does not prejudice any potential Bidders or Tenderers.

5.4.2 The ASO and APO must not seek or accept technical advice on the preparation of a quotation request or an Invitation to Tender from anyone who may have a commercial interest in the Quote or Tender, as this may prejudice the equal treatment of all potential Bidders and Tenderers and/or distort competition.

5.5 Estimating the Total Value of a Contract

5.5.1 Rule 5.5 is applicable to the procurement of all contracts where an existing Framework Agreement or DPS is not being used to make an award of contract.

5.5.2 Officers must calculate the total value of the Contract in order to determine which procurement activities should be commenced in accordance with these Rules. The procurement activity that must be followed is prescribed in Table 1 below.

5.5.3 The Council must not split Contracts in order to avoid public procurement rules or calculate the value of the Contract in such a way as to deliberately avoid exceeding the Regulation Thresholds or any threshold identified in these Rules. The value of a Contract should be calculated as follows and applies to the aggregate value of the Contract Agreement:

Yearly potential contract value X Contract Period in years (including any option to extend) = Total value.

5.5.4 The value of a Framework Agreement or DPS means the maximum estimated amount payable by the users of the Framework Agreement or DPS for the Supplies, Services or execution of

Works (excluding VAT) under Call-off Contracts entered into over the entire possible duration of the Framework Agreement or DPS.

5.5.5 The value of the Contract will determine which procurement activity to follow in accordance with Table 1 below subject to Rules 5.5.6 and 5.5.7:
