6. Please describe the main activities of your Organisation/ Group

We are an educational voluntary group, running regular and annual poetry events for the Persian speaking communities in Stockport. We mostly use Shahnameh (The Book of Kings) a book of poetry, written over 1000 years ago, with human values that are still relevant. We foster debate and discuss the relevance of the poetry in today's society. We run events in Persian and English language.

Since the lock down our rule slightly changed and we increasingly found ourselves approached as a support organization, too. Throughout the pandemic we kept the communication channels open and carried our sessions through Zoom. We were there to support our members through hard periods and in a couple of cases through bereavement process.

7. When was your Organisation/Group established?

15th May 2011

8. Does your organisation have the following policies and procedures in place?

If you are awarded a grant you will be required to send copies of all relevant documents as part of the grant agreement.

Yes

- A governance/management committee
- A Constitution/governing document/set of rules
- An Equal Opportunities Policy
- A Child Protection Policy (where necessary)
- A Health and Safety Public liability

2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.

Friends of Shahnameh is a non-profit community group of diverse background. We run regular poetry nights and celebrate 'Commemoration Day of Ferdowsi' as an annual event. Ferdowsi is the author of Shanameh (book of King).

In 2022 we would like to arrange a half a day festival (15th May) as a face-to-face (conditions permitted) and on line-events. The Theme would be 'Celebrating Diversity' a timely topic to discuss in a diverse society. The session helps people to integrate in the society and come out of isolation, connecting with each other. We are proposing running half a day festival / celebration for over 200 people with talks, music and Q&A sessions, reading poetry in English and Persian, so language barrier in Persian speaking communities will be address. Persian speaking communities of migrant and refugee background, people of all ages and abilities, people with children and young adults are example of community members likely to benefit from our event.

We would publicise the event through friendsofshahnameh.com website and our social media channels on Twitter, Instagram, Facebook, and Telegram. We also put leaflets in Persian shops / restaurants and Persian section of Manchester University. For evaluation there will be questionnaire with questions such as "what worked for you and what didn't" "Score your experience of attending each session".

Our Festival will have some new components (e.g. children entertainments) and some tried and tested components (e.g. music and expert talk). Due to COVID we cancelled our last two face-to-face annual celebrations. Funding our project will make it possible for us to continue supporting members of communities. We are hiring a local community hall and technician for our event. By using local services we will support local business, and strengthening relationship across communities. Increasingly, we are witnessing our group also is used as a support structure. Some people joined us recently to avoid loneliness or talk about issues that concern them. With your support we could carry on with this recently developed niche. Our 'Celebrating Diversity' event will also be used to publicise our regular on-line events.. Our project can make stronger bound across communities and help more people to reach their potential.

Hiring a space (over 200 people), help with hiring a technician to run PowerPoint and sound system and the traveling expenses for our main speaker from London are what we are asking for support.

10. Who will benefit from this grant?
