This report asks Cabinet to approve the 2022-27 Strategic Business Plan for the MDC as approved by the MDC Board in March 2022

Comments/Views of the Cabinet Member: (c)

The work of the MDC continues to deliver against its original goals of delivering new homes, workspace and supporting infrastructure in Town Centre West and this latest version of the Business Plan builds upon this.

The successful commencement of the Interchange and Weir Mill schemes and the recent announcement of Stockport shows that the MDC are focussed on delivery of high quality and transformational developments.

This latest version of the plan continues to build upon the aspirations of sustainability, diversity and inclusivity for both Town Centre West and the impact on the wider Town Centre..
