Proposed: South East Elevation, North East Elevation, South West Elevation, North West Elevation, Location Plan, Site Plan, Ground Floor Plan, First Floor Plan

Matching brick to the existing 65m wirecut textured brick with a heathermix of deep to dark red. Proximity of match will depend upon availability with local brick merchants at the time of construction - who are currently facing some supply issues.

Marley modern roof tile to existing tile design and colour. Facias, soffits and rainwater good are to be black.
