2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.

The garden is situated just beyond Mill Pool Close in Woodley and adjoining the Peak Forest Canal. Morrells paints allowed access to the land which was derelict and helped clear a space and provide picnic benches. George Cox builders built a path to enable easier access for disabled visitors and provided us with 2 planters We have done some planting partly funded from plant and shrub donations eg the Kindling Trust and some purchases from earlier funding strands but we are now ready to develop the project further. This will entail the purchase of gardening equipment, more plants and top soil

10. Who will benefit from this grant?

e.g. local residents, young people, older people and how?

The garden is open to everyone every day and at all times. Already children from the Starting Point holiday group have used the garden for activities and local schools have been invited to use it for educational activities. A visit from St Marks CofE Primary in Bredbury is pending
