EXECUTIVE REPORT – SUMMARY SHEET

Subject: Resident Parking Scheme - Rostherne Road, Adswood

Report to: Central Stockport Area Committee

Date: Thursday, 22 June 2023

Report of: Director for Place Management

Key Decision: N

Forward Plan ☐ General Exception ☐ Special Urgency ☐ (Tick box)

Summary:

This report details a desk-top study of the parking availability on Rostherne Road, Adswood following a petition from the residents for a Resident Parking Scheme.

Recommendation(s):

The Director of Place Management requests that the Central Stockport Area Committee note the contents of the desk-top study and acknowledge the view of Network Management; it is clear that the area is experiencing parking issues primarily due to the school. However, from the desk top study Network Management would recommend no future action as this is a resident versus school issue and could be resolved with alternative methods.

Should the Area Committee not wish to accede to the above recommendation or believe there is an immediate need for a parking scheme in the area then funding to the amount of £6k will have to be made available from the Davenport and Cale Green Delegated Ward Budget to enable consultation and further investigation.
