Summary:

Draft Portfolio Agreements for 2023/24 were considered by Scrutiny Committees during the June 2023 Scrutiny cycle. These reflect the priorities set out in the 2023/24 Council Plan and 2023/24 budgets within the Medium-Term Financial Plan, along with the portfolio responsibilities.

Note that a realignment of the seven Council Portfolios and five Scrutiny Committees was confirmed at Scrutiny Co-ordination Committee on 1 June 2023. Details of these portfolios and their associated Scrutiny Committees (which came into effect immediately) are set out in the report to Scrutiny Co-ordination Committee, which can be accessed [here](#).

The agreements relate to the seven realigned portfolios agreed at Scrutiny Co-ordination and the final versions of the seven Portfolio Agreements are now presented to Cabinet for approval. These will form the basis for reporting on delivery of priorities and spending plans to Scrutiny Committees during 2023/24.

Comments/Views of the Cabinet Member:
