

Assurance and Delivery Framework for Mental Health, Learning Disability and Autism

Report To (Meeting):	ONE Stockport Health and Care Board		
Report From (Board Lead)	Clare Parker, Executive Director of Nursing, Healthcare Professionals & Quality Governance & Deputy Chief Executive, Pennine Care NHS Foundation Trust Jilla Allen-Burgess, Director of Public Health, Stockport MBC		
Report From (Author):	Jilla Burgess-Allen, Director of Public Health, Stockport MBC		
Date:	26 July 2023	Agenda Item No:	9 (iii)
Previously Considered by:	Stockport Health and Care Executive 13 th July 2023		

Purpose of the report:			
To share with the Board the proposed approach to a local assurance and delivery system for Mental Health (MH), Learning Disability (LD), and Autism (A).			
Key points (Executive Summary):			
<ul style="list-style-type: none"> Recently, we have brought the three areas of mental health, learning disability, and autism together under a single programme delivery board (with associated sub-groups). This currently sits above existing partnership arrangements in place for autism and for learning disability. Both the autism and learning disability partnership boards are forums where people with lived experience have a strong voice and we want this reflected across all areas. The proposed delivery system proposes a separate co-chaired Mental Health Partnership Board, and shared delivery system underneath the three partnership boards. The three partnership boards will report directly to Locality Board. 			
Recommendation:			
The Board are asked to: <ul style="list-style-type: none"> Note the progress made in evolving our governance and assurance structures to better meet the needs of people with Mental Health, Learning Disability and Autism difficulties in a coordinated and robust way. Support the proposed new governance arrangements for these three interlinked agendas of Mental Health, Learning Disability and Autism. Support the establishment of a New Mental Health Partnership Board to be co-chaired by someone with lived experience.
