Please provide reasons why the asset you have identified qualifies as an asset of community value:

This building (wholly within the Stockport local authority area) is the current home of Woodsmoor Girlguiding having been the home of Bramhall Green Girlguiding for many years. This is a purpose built meeting hall for the young members of the organisation. Girlguiding Stockport have owned, maintained and used the buildings for our community and charitable purposes, and currently Woodsmoor Girlguiding are running units of Rainbows, Brownies, Guides and Rangers from this site offering the girls and young women of Woodsmoor the adventure, community and service that being a member of Girlguiding brings. Bramhall Green HQ is also used as a polling station and a training and meeting venue for Girlguiding Stockport. The building is in good condition and the units are thriving, and the buildings will continue to serve the community for many years into the future. We are making this application as we believe this is an important asset for both Girlguiding the wider community, the building is owned by Girlguiding, but the land is rented. *
