

Event Plan for Cinema on the Green – Oak Meadow Park

This is a collaborated event being held on Oak Meadow Park, organised by the friends of group, Darren Flannery from regeneration and Magic Moments.

The event is a pilot event to hopefully increase footfall in the district centre, Tickets for the event have been subsidised on this occasion and fees for using the park have been waived.

The film choice is “The Greatest Showman” to encourage families to attend.

The park will be closed to other users for the short time this event is being held.
