

## mAppendix 1.

### UPDATE ON STOCKPORT UKSPF COMMUNITIES AND PLACE FUNDING

<b>Bidding Organisation</b>	<b>Project Name</b>	<b>Summary of delivery</b>	<b>Grant Amount Awarded</b>
Disability Stockport	Community Changing Places	Convert current office space at the High St centre into a changing places facility.	£51,003
GRIT Studios CIC	'The Stockport Spray' – Street Art Festival	One-day event will see 30 of the UK's top street artists descend on Stockport, allowing Stopfordians the rare opportunity to see the creation of world class street art.	£8,705
Arts For Recovery in the Community	Stockport Arts and Health Week 2023	'Stockport Arts & Health Week 2023', a programme of events, exhibitions, workshops, training, commissions and public awareness activities promoting creative health in Stockport. The activities will be centred around an intensive celebratory week (9th – 14th Oct) with follow-on strategic/legacy-building activities.	£20,723
Manchester Digital Laboratory Ltd	Make Stuff Stockport 2023	Make Stuff will be MadLab's borough-wide, seasonal digital arts and creative making	£145,259

		<p>programme for a broad and digitally-curious audience – from family-friendly ‘tasters’ and playful hands-on experimentation with new and emergent technologies through to in-depth discussion and creative craftspersonship. Developed in collaboration with residents and taking place at community venues across Stockport</p>	
Primary Jigsaw SMBC	Creative Health Project – Feelings and Faces	<p>Provide arts-based activities for children living with a grown up with a life limiting condition such as cancer. This will take place in a local primary school and provide connections for these families.</p>	£7,705
Stockport County Community trust	The Scarf My Father Wore	<p>A joint project developed and delivered by three key organisations - The project will bring together twenty young people aged 12-16 from four Stockport schools. The participants will be identified by the schools and are likely to be young people who have disengaged</p>	<u>£14,800</u>

		or are about to disengage from formal education and/or are at risk of long-term unemployment, criminality and poor physical/mental health.	
PIE: Pursuing Individual Excellence	Wave of Change	The Wave of Change project looks to support and empower women who are living in hardship (either financially, physically, emotionally or mentally) to help them to grow in confidence, broaden their experiences, develop a wider range of volunteering opportunities and explore a variety of enrichment, social action and community options that they have not previously considered.	£20,000
Plastic Shed Limited	Merseyway Community Mural Installation	Create a permanent large-scale art installation made entirely from Stockport's recycled plastic bottle lids, creating a beautiful and striking image. The piece would be placed on the large brick wall on Great Underbank Street, Stockport (opposite Stockport Air Raid Shelter).	£24,197

80 Moons Limited	The Nightingale Outdoor Initiative	Creating an outdoor event space and community garden. We are seeking to build upon our venue footprint and develop the large overgrown outdoor areas into a secondary outdoor staged area to increase our event capacity on weekends whilst maintaining the community 'pub' asset indoors. This space will mean we can further engage with the Stockport annual cultural events program and host a full program of regular events going forward	£5,725
NK Theatre Arts	Stockport Sounds at The Forum Theatre	Purchase sound, AV and stage equipment to upgrade the technical facilities at The Forum Theatre in Romiley. This will give everything it needs to introduce successful indoor musical live events, or gigs for local bands and bring Stockport Sounds to The Forum Theatre.	£89,921
Omnimusic Charity	SKale	Form a local Creative Music Technologists Network for the Creative Campus for Digital, Media and Tech - partnering with Mcr Met SODA students	£80,347

		along with Stockport-based independent practitioners, with a specific angle on developing opportunities for marginalised communities to access quality training and work experience.	
Seeding the Change C.I.C	Seeding the Change	This funding will deliver a 2 hour facilitated gardening & wellbeing session for 8 people seeking asylum and refugees living within Stockport - the session will take place on Monday 10-12 am at Webb Lane Allotments, Offerton, Stockport. It will also fund a second gardening and wellbeing session at webb Lane allotments for 8 Stockport residents with low level anxiety, depression and/or social isolation	£16,400
Age UK Stockport	Sky Digital Hub at Edgeley	Funding towards running costs for Stockport's new Digital Flagship Hub in the Edgeley locality of Stockport, through a partnership between Age UK Stockport, Sky and Stockport Council, with further support from Stockport's Digiknow Alliance members. It is the first of its kind in the north-west	£50,000

		<p>and one of only 10 flagship hubs across the country.</p> <p>The Hub is aligned with 'Stockport's Radically Digital Strategy' providing access to devices, data, and skills.</p> <p>Anyone can access support, but we prioritise vulnerable, disadvantaged or excluded people, (e.g. older adults, young people living in poverty and care leavers to access the resources, skills and opportunities they need to create a better future</p> <p>Disabled access with an accessible route to the entrance and disabled WC facilities.</p>	
Sector3 Stockport	Social Impact Hub	<p>Our project aims to support social mobility and reduce inequalities by building capacity through supporting local civil society and community groups, and by investing in volunteering and social impact projects.</p> <p>We will create a physical and online social impact hub in the heart of Stockport Town Centre, which will be an accessible resource for local</p>	£60,000

		VCFSE groups and residents. The hub will help to facilitate collaboration between the public, private and third sector on social impact projects and promote impactful volunteering opportunities.	
Groundwork Greater Manchester	Stockport's Green Leaders	Our youth social action project will empower young people aged 11-17 to design and deliver their own campaigns, events and environmental social action projects to improve Stockport. Whether creating nature guides, rewilding a patch of unused space, or planting trees to combat pollution – Stockport's Green Leaders will make change happen. Engaging local young people in finding local solutions.	£21,452
Stockport Gin Ltd	Stockport Botanicals	Deliver events where participants can create their own unique recipe for drinks using various botanical flavours.	£5,800
The Landing / Where the light gets in	The Landing CIC Arts and Ecology programme	The Landing Arts and Ecology Programme is an innovative and inclusive initiative that seeks to enrich the community through the convergence of	£47,450

		art, nature and creativity. Designed to inspire and engage people of all ages, our programme will offer two nature-based artistic workshops per month, led in collaboration with talented local artists and designers.	
Stockport Homes	The Brinnington Circle Project	This helps people make new friends, and meet new people, along with getting out more and living the life they want to lead. There is a calendar of events (free and paid for), access to fellow members with a wide variety of interests, the ability to share lifts to and from events with members, and discounts for events and local businesses. Stockport Homes propose to implement this model in Brinnington to ensure there are an array of readily available events locally that includes activities such as local arts, culture, heritage, and creative activity events, all to support the residents of Brinnington and beyond to age well in place.	£21,500
Stockport BID	Flourishing and Climate Resilient Stockport	Combining a programme of community and business	£43,800

		<p>engagement with participatory design Our community engagement programme of activities and events will develop connections between people and their place by seeking their views and opinions on proposals for the square, broadening their understanding of nature-based solutions and greener behaviours, and inviting them to create sculpture/silhouette to symbolises the suffragettes thereby re-invigorating the square's connection with the suffragette movement.</p> <p>Involving people in the installation of the features. We will work with business and resident volunteers to enhance the biodiversity of the existing planting schemes through the introduction of new flowering plants and bulbs that will provide colour and interest throughout the seasons to the town's visitors and food for pollinators and birds.</p>	
--	--	--	--

Starting Point Woodley	Digital Champion Training and Development Programme	This work will support 25 new champions to assist other third-sector organisations to host digital inclusion sessions with support from fully trained and supported volunteers within the 6 months from mid-September 2023 – mid-March 2024.	£13,112
Yaran Northwest	Learn how to recycle through Art and Culture	Provide a group workshop within a timeline for our BAME service users. At the end of the project, we would like to have an amazing exhibition in The Whitworth Gallery and other galleries in Greater Manchester such as Stockport Museum.	£5,000
Stockport CAN SMBC	On The Way Play In Stockport - A Creative Active Travel Activation Project	A pioneering cultural, creative behaviour change project that will make local journeys more fun, active and connected for children and families. This project falls within the Stockport Moves theme and hopes to deliver active travel and place based interventions that can support and enable growth of Stockport's sustainable school travel strategy, the climate action now plan and ongoing walking	£69,600

		and cycling programmes with the involvement of local communities and expert delivery support.	
Kelsall Architects	Sustainable retrofit of heritage building	The core of our proposal entails the restoration of a vacant and derelict heritage building in the Underbanks, yielding tangible economic growth, preserving Stockport's built heritage, and achieving substantial, quantifiable greenhouse gas reductions.	£39,776
7 Miles Out CIC	The Stockport Music Story	Expand the reach of the Stockport Music Story project into the district centres to engage with more people through exhibitions of artefacts and personal memorabilia at community centres in local areas such as Edgeley, Brinnington, Offerton, The Heatons and Reddish	£33,100
Writing Squad	Stockport Writes	Stockport Writes will identify 15 of the borough's most promising writers aged 16-18 and will: over six months of fortnightly meetings in local libraries, and being out and about in the borough, we will train them in place-writing	£12,950

		<p>as part of the process we will mentor them in their own ongoing writing create a supportive community and process that will form the basis for developing exciting young writers in Stockport for years to come.</p> <p>The group of will deliver two place writing projects to develop their skills and amplify Stockport Town of Culture - Stockport Lunch Boxes (Stockport Eats) and All Change at the Interchange (Stockport Moves). Their writing will be shared online and in a free publication (Stockport Makes!)</p>	
Underbank Studios CIC	Held	<p>Our project 'Held' uses community arts and creative placemaking to encourage Stockport's artists and residents to engage with arts and culture locally. Through our project we will facilitate innovative approaches to skill sharing, collaboration, community building, as well as paid opportunities for Stockport based artists. Our</p>	£50,000

		<p>project will build the legacy of <i>Underbank Studios</i> as an organisation that evolves with the Stockport community that surrounds us. Our project will allow us to provide regular workshops at an increased frequency, and without a charge. The project will also allow us to provide many new activities and initiatives that we have not been able to explore previously. Funding will help eliminate the barriers we currently face as an arts organization: lack of time, lack of resources and lack of funding. We seek to expand our project for years to come, and this funding will enable our growth.</p>	
St Mary's Parish	St. Mary's Redevelopment Phase 7 – Enabling Works	<p>This enabling works project will provide specifications and detailed cost estimates for all of the current repairs and maintenance required as well as improvements to the building to make it fit for purpose as a 21<sup>st</sup> century public venue. Only with these specifications and cost estimates in place is it</p>	£14,400

		possible to then raise future funding to actually carry out the works necessary.
