## 2. About Your Application

---

### 9. Please give us a brief description of your proposed/planned project or activity

*You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us what will it be used for and why is it needed.*

The gardening volunteers have tried to improve the appearance of the Park by recreating long-vanished flower beds as well as caring for a sizable portion of the existing beds around the Hall. We concentrate on plants which will attract pollinators as well as looking lovely.

We recycle as much as we possibly can, so we have a number of “bins” which make compost and leaf mould for use in the gardens. We spend a great deal of time in Autumn gathering and storing fallen leaves and we want to make life a bit easier for us as well as speeding the process of making leaf mould. Accordingly we propose to buy two battery powered vacuum shredders which will help enormously without being overly noisy, and which will be non-polluting; both important considerations in a public area such as Bramhall Park.

We also need another wheelbarrow to carry the leaves.

---

### 10. Who will benefit from this grant?

*e.g. local residents, young people, older people and how?*

All visitors to the Park will see an improvement as the leaves are removed, and then see the improvement in the flower beds and gardens in subsequent seasons.
