Working closely with Greater Manchester Police and the council, the Safer Neighbourhoods Team were able to gather sufficient evidence to take legal action against the property and its tenant, utilising powers under the Anti-Social Behaviour, Crime and Policing Act 2014. - A high-visibility day of action took place in Stockport town centre on 21 September 2023, resulting in 6 arrests. A total of 14 stop-searches and three premises visits in partnership with Trading Standards also took place and resulted in £80,000 worth of illegal vapes being seized.
- Operation Riminni took place on 18 October 2023 throughout the Area Committee Area and was a dedicated response to tackling reports of various offences in Stockport town centre, such as theft, shoplifting, and anti-social behaviour.
- A warrant had been executive in the Shaw Heath area on 25 September 2023 and had been issued by the courts under the Misuse of Drugs Act. A criminal investigation was ongoing.
- Burglaries across Stockport had fallen by almost a quarter over the past year, meanwhile the number of arrests had risen.

- There had been 1,653 reported incidents in the borough in the past 12 months compared with 2,165 in the previous year; this indicated a reduction of 23.6%.
- A warrant had been executed at a property on Avenue Street in Portwood on 6 October following community intelligence. Over 300 cannabis plants were seized, with an estimated street value of £40,000.
- Members were encouraged to promote the Neighbourhood Watch scheme as a valuable scheme comprising of communities and officers working closely to gather and share intelligence. It was requested that feedback on how intelligence had helped be given to residents to enable members to promote the scheme effectively.
- In response to a concern regarding car vandalism, officers were changing shifts to target certain locations at specific times.
