4. COMMUNITY ENGAGEMENT

(i) Chair's Announcements

The Chair on behalf of the Area Committee informed residents of the following:-

- It was announced that a Food & Groove event was scheduled to take place in Bramhall Village Square on 22 October 2023. Furthermore, there was a Halloween event scheduled to take place on 28 October 2023 in Bramhall Village Square.
- Members announced that an Artisans Market was scheduled to take place on 21 October 2023 at Cheadle Hulme precinct.
- Residents were informed that various Christmas events were scheduled to take place during the festive season, including a Christmas light switch-on at Bramhall Hall on 28 November 2023, late-night shopping on 14 December 2023 and community events taking place in Cheadle Sainsbury's.
- It was noted that the Council had renewed the warm spaces initiative, with warm spaces available across the borough, during the winter months. Further information would be provided on the Council's website.

(ii) Neighbourhood Policing

Sergeant Matt Delaney (Greater Manchester Police) attended the meeting to answer any questions from Councillors or members of the public in relation to Neighbourhood Policing issues within the area represented by the Bramhall & Cheadle Hulme South Area Committee.

The following comments were made/issues raised:-

- An update on crime statistics and trends in the area was provided. It was reported that residential burglaries were consistently low in the area and burglary crimes had decreased by 23% as a division. Residents were reminded to increase security measures as nights got shorter. In addition, it was reported that a number of successful drug warrants had taken place in the year to date. The team had seen success through targeting low level thefts, which were often linked to drug use. Residents were encouraged to report issues regarding drug and drug-related issues to members, police or anonymously via Crimestoppers. Finally, it was reported that continued work was taking place to tackle anti-social behaviour, with 275 reported incidents in Stockport and 12 in the Bramhall & Cheadle Hulme South area. It was noted that these figures were the lowest across the division.
- It was reported that a Community Speedwatch scheme was being rolled out across the borough as an effort to tackle on-going speeding issues. Off-road motorbikes continued to present an issue and hot spots were being monitored based on intelligence. It was noted that force review was being undertaken to tackle the situation from a more strategic level.
- It was reported that the Neighbourhood Policing Team working with the local community to respond to any incidents, including vigils and rallies, as a result of the conflict between Israel and Hamas. It was stated that lawful and proportionate action would be taken against those who do break the law and any concerned residents should contact the police directly.
- An update was provided on the Right Care Right Person model, with the Police aiming to work effectively with partners to ensure that individuals received the right support from the right areas. It was hoped that this would mean that police could focus on core policing principles.

- Members thanked the local policing team for their work and for resuming the provision of regular updates to the committee and sought clarity on the reported success the police team had recently had with regard to illegal vapes. In response, the police clarified that there had been a successful action taken against a shop in the town centre illegally supplying vapes. Whilst details could not be provided about ongoing action, there was expected to be further action in the near future with regard to shops selling illegal vapes.
- Members highlighted issues around traffic issues and speeding as areas of particular concern for residents. Members asked whether the police had any comments on the best way to combat the issue. In response, it was stated that Community Speedwatch worked effectively. Once hotspots were identified, officers could be sent to take enforcement action against offenders. Feedback from residents and Members was welcomed in addition to police data to identify areas of concern.
- Members sought clarity around issues around off-road bikes in Woodford Garden Village, with cross-boundary policing arrangements appearing to confusion between neighbouring police forces. It was reported that the local team had liaised with Cheshire East police and maintained communication with complainant, with no further instances of the issue being reported.

(iii) Public Question Time

Members of the public were invited to put questions to the Chair of the Area Committee on any matters within the powers and duties of the Area Committee, subject to the exclusions set out in the Code of Practice.

No public questions were submitted.

(iv) Petitions
