Re: Cafelito (Manchester) Limited T/A BASK Bar

We act in the capacity of Accountants and tax advisors for the above named company.

We have also used BASK on many occasions for our networking events, client meetings and social events and would highly recommend them. BASK is a very popular and safe venue with security present at all times during peak hours. We have not had any issues with the management, staff or customers and will continue to use for our future events. Clients who we have introduced to BASK have also utilised the bar for their events both for business and pleasure.

We look forward to continuing to work with and using the bar.
