

GREATER MANCHESTER POLICE

To: Stockport Metropolitan Borough
Council Licensing Team

Wednesday 29th November 2023

Concerning - Licensing, Environment & Safety Sub-Committee A - Wednesday, 29th
November, 2023 6.00 pm re Bask.

Dear Sir/Ma'am,

I am PC 17736 Ellison, currently based at Cheadle Heath Police Station, Stockport,
in the role of Police Licensing Officer.

The Local Authority Licensing Team have today made me aware that an e-mail trail
between myself and Benji Taylor, containing e-mails sent between the dates of 17th
October 2023 and 30th October 2023 will be disclosed at the above Sub-Committee
meeting. This e-mail trail was provided by Benji Taylor on the 28th November 2023, to
the Local Authority Licensing Team, for inclusion in the meeting.

Prior to today, I was unaware that the e-mail thread would be relied upon at the Sub-
Committee.

For clarity, the e-mails contained within the thread relate Greater Manchester Police's
concerns re the licensing objective of the Prevention of Crime & Disorder only, in
relation to the extension of the Licensable Activities and the change to the terminal
hour at Bask, 20 Railway Rd, Stockport SK1 3SW.

I sought to mitigate or negate any concerns re this objective, via questions raised to,
and information received from, Benji Taylor.

From these discussions, the condition of "*A minimum of 4 Sia Door Supervisors will
be utilised on Friday and Saturdays from 19:00 until close, and on any Sunday
preceding a Bank Holiday Monday. At all other times, an ongoing risk assessment
will be conducted by the DPS/Premise License Holder with regards to the necessity
of Sia Door Supervision, and they will be utilised in the number and at the times
deemed appropriate by said risk assessment*" was agreed, and will feature on the
Premise License if the applied-for variation is agreed.

The information requested/received from Benji Taylor was not requested in relation to
any other of the licensing objectives.

Regards,

PC Ellison.
