Engagement on One Stockport : One Future

- It will be developed in collaboration
- Over November 2023 – January 2024 we will be having two - way conversations and dialogue with key partners and stakeholders
- This will shape the plan before a March 2024 launch

Prompt questions:

- Are the current deliverables the right ones?
- What are the key long-term milestones 5, 10 and 15 years beyond the One Health and Care Plan that will help us achieve this ?
- Do you think there is anything missing?
- Are there any challenges you foresee in these objectives? How could we address these?
