2. About Your Application

9. Please give us a brief description of your proposed/planned project or activity

You may wish to include details of what activities will take place, where will it happen, how often and who will take part. If you are applying for equipment you can tell us, what will it be used for and why is it needed.

One of the priorities for SAFCO is to deliver an event to celebrate Armed Forces Day in the town centre. The 2023 event was the first of its kind for Stockport and was a huge success from many perspectives, it is hoped to be able to deliver an annual event, which in the long term will receive sponsorship from local businesses however until SAFCO is more visible to the business community to achieve the ongoing support required, it is necessary to seek funding from other sources. The event will start with a parade of veterans, cadets and serving reservists from St Peters Square to the Market Place, where the Lord Lieutenant for Greater Manchester will receive the salute from the marching troops.

The main body of the event will take place in Stockport Market Place, stalls will be made available to other community groups free of charge so that they may raise funds for their own organisation, a number of organisations have already committed to displays and activities to encourage attendance from a wide range of visitors of all ages. The 2023 event had 25 + stalls and activities. The event was supported by Stockport `Markets team and the councils town centre officer.

We have also secured commitment from Merseyway management team to participate in the day with activities in the shopping centre.

We are hoping that the underbank traders will also participate this year following the success of 2023.

There will also be a main stage for entertainment including Stockport Schools brass band, this will provide an opportunity for local entertainers to raise their profile.
