**Park Bridge Close & The Parklands, Heaton Chapel. Proposed Extension to the Moving Traffic Regulation Order - 20mph Speed Limit**

**Report of the Director of Place Management**

**1. INTRODUCTION AND PURPOSE OF REPORT**

To approve an extension to an existing 20mph speed limit to include Park Bridge Close and The Parklands in Heaton Chapel.

**2. BACKGROUND**

It has come to light that Park Bridge Close and The Parklands are not included in the 20mph speed limit order which covers this estate off Manchester Road.

To address this, the speed limit order can be extended as shown on attached drawing number: **D-4269-002**.

Note: Millers Row is not Adopted and is more akin to a private driveway; therefore, it is not deemed necessary to include this as part of the proposal.

The associated legal cost for advertising the Traffic Regulation Order can be funded from monies remaining in the Section 106 Agreement for the Ash Hotel redevelopment (there will be no charges against the delegated Ward budget).

**3. LEGAL POSITION/IMPLICATIONS**

- 3.1. The Traffic Management Orders would be made under Section 1 of the Road Traffic Regulation Act 1984. The Council is required by the Local Authorities Traffic Order (Procedure) (England and Wales) Regulations 1996 to give notice of its intention to make a Traffic Order (by publishing a draft traffic order). These regulations also require the Council to consider any representations received as a result of publishing the draft Order.

**4. FINANCIAL IMPLICATIONS**

Legal Advertising costs are to be funded from monies remaining in the Section 106 Agreement for the Ash Hotel redevelopment.

**5. TIMESCALES**

If approved, the order is expected to become operative in 2024.

**6. EQUALITIES/COMMUNITY IMPACT ASSESSMENT**

Equal Opportunities

- To provide a suitable and safer environment for pedestrians and other road users. The scheme contributes to the Council's vision statement "Promote

equal life outcomes for all by tackling known inequalities across the borough of Stockport".

#### Sustainable Environment

- To develop and sustain a healthy, safe and attractive local environment which contributes to Stockport. Stockport Council understands the responsibility it has to lead by example and help the broader community make a positive contribution to the local environment.

## 7. CONCLUSIONS AND RECOMMENDATIONS

The Heatons & Reddish Area Committee approves the legal advertising of the following Moving Traffic Regulation Order and subject to no objections being received within 21 days from the advertisement date the following orders can be made:

#### **Extend 20mph Speed Limit:**

Park Bridge Close

From the junction with Selby Street for its full extent to its cul-de-sac end.

The Parklands

From the junction with Horace Grove for its full extent to the cul-de-sac end.

#### **Background Papers**

There are no background papers to this report.
