

Clarendon Road

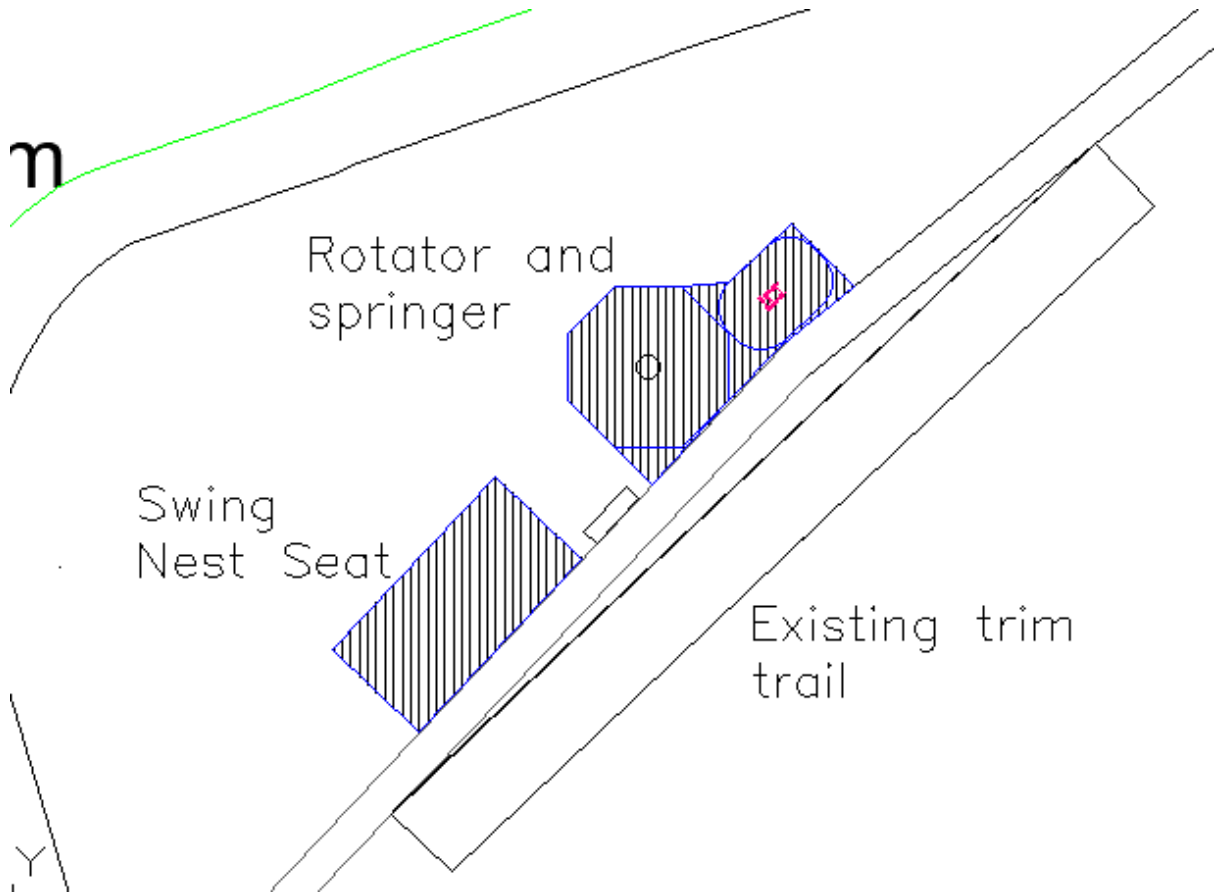

**Single Bay nest seat**

**Total £8,400**

**Rationale**

The Nest Swing would be our recommendation in achieving the community aspirations for Clarendon Road and being within the available budget and ( subject to funds being allocated to the project in addition to the Covid Memorial Funds)

The inclusive play Nest Swing is suitable for children of a wider range of ages and abilities. The seat is set a 400mm high so its suitable for children who are able to transition from a wheelchair. It's a could option for intergenerational play as the seat is big enough for a parent or carer to lay or sit next to the child. The Nest Swing encourages children to interact with one another and play together, as well as learning the sense of balance and coordination.

New play equipment to go on the opposite side of the path to the existing trim trail items
